This Report Covers 2008-2009

This year there were (13) lodges reporting that they adopted new veterans this is an increase of (4) lodges from the previous year. The total of new veterans adopted this year is 388, an increase of 237 new Veterans being placed on the rolls. This gives us a grand total of 6337 Veterans enrolled in the Adopt a Veteran Program.

I would like to personally thank Howard Boyd for helping me put this information together along with the Lodges making their Veterans Remembrance Report.
