

Elks West Virginia  
Good of the Order  
May 6 – 9, 2010

Dear Randy,

First of all I would like to welcome all our out of state guests to the great state of West Virginia. It is as always an honor to be here in the presence of the ELKS.

The objective of this committee is to improve the image of the West Virginia Elks Association. We must be sure the public is aware of all the good things we do for our youth, our veterans, and all of our communities. Awareness is key for everyone to know what good the ELKS can do and how many will benefit from our services. In order to achieve this task, we must have more active members.

This is the time for members to offer comments or observations (without formal motions) about the society and the work that is being done. This is also a perfect time for all members to communicate with their fellow officers and committee chairpersons, in order to find out important information about their lodges. If this communication exists, the members will have a better idea where the lodges stand in the present as well as the future. If there is help that is needed, this is an opportunity for everyone to benefit.

Let's communicate and work together to make a better ELKS for everyone!

BPOE for LIFE!

Thank you for your time and dedication.

Sincerely,

Vince Gurrera
