West Virginia Elks Association
% William R. Lambert, PSP
Secretary West Virginia Elks Association

Members All:

Our Advisor is Neal Michaels and our Assistant Chairman is Eddie Randall, Clarksburg Lodge #482. We need up-dates for close-up pictures of the Exalted Ruler, Leading Knight and Secretary for the lodge's home pages. Please allow Bill Wolf, Rhonda or me to take these pictures before the meeting weekend is over.

We have requested each Lodge Secretary to email an electronic version of the Lodge's Newsletter. We are currently receiving only a very few newsletters in electronic file and consequently many of the Lodge's Newsletters are either not posted or are outdated.

If you have an email address, please be sure that I am advised of your email address and kept current with it.

The internet committee continues to work on improving the appeal of our site and on the sites contents. The message board link on our site takes you to the State Message board at Grand Lodge elks.org and requires that you use your elks.org username and password to access and post information on the board.

I am pleased to announce that we have been awarded a third straight Five Star Award in the Grand Lodge State Web Site Contest.

Respectfully Submitted
