

West Virginia State Officer and Citizen of the Year Committee Report

**Past Grand Exalted Ruler Lester C. Ted Hess Jr., State President
Randy Holly and Members all.**

Let me first of all take this opportunity to thank you President Randy Holley for giving me this opportunity to serve you and the West Virginia State Elks Association as your Chairman for the State Officer and Citizen of the Year Committee. I would also like to thank all of my Committee for their work on this Committee this year. I sent them all of the Lodge's selections and they got back to me their selections in a prompt and timely manner. We did not meet our goal of 100% participation, but I believe that with our continued efforts we will meet this goal next year.
