West Virginia Elks Association  
Mid-Year Convention

GER Carr, PGER Hess, President French, President Lenker, Members All:

For this most recent Convention of the West Virginia Elks Association we have registered 165 Elks and guests representing all 22 of our lodges. Actual attendance however is 160. We are also pleased to have with us 20 Past State Presidents of our Association.

Included in the above total are one Grand Exalted Ruler, one Past Grand Exalted Ruler, and one Past State President from Pennsylvania.

I would like to thank my fantastic Committee members Donna Olexick and Walter Ice. Donna even sold tickets for the quilt while working the registration table and I believe I saw Walter helping sell 50/50 tickets. As always my thanks go out to Bill and Lois Lambert for all that they do to make these conventions happen. Committee members Happy Pancake and Frank Bohach couldn't be here this weekend but hopefully they'll be able to be with us next April.

Respectfully submitted,  
Scott Wilson
