

## **West Virginia State Elk of the Year Committee Report**

**Grand Exalted Ruler David R. Carr, Past Grand Exalted Ruler/State Sponsor Lester C. "Ted" Hess Jr., State President Jerry French and Members all.**

**Let me take this opportunity to thank you President Jerry French for giving me this opportunity to serve you and the West Virginia Elks Association as your Chairman. I would also like to thank my Committee also for serving on this committee. I would like to ask all the Lodges to participate in this program. Every Lodge has that one member who stands out above the rest. I like to refer to them as the Most Valuable Player. You need to recognize them for their hard work.**

**A letter will be coming out to all Lodges in the next couple of weeks to let you know the guidelines and the criteria. And also for a Lodge contact to hopefully get more participation. Help my Committee and myself in reaching %100 participation from all Lodges.**

**Fraternally Submitted,  
Mark E. Olexick  
West Virginia State Elk of the Year Chairman**
