

WEST VIRGINIA ELKS ASSOCIATION

Past State Presidents Advisory committee

April 29, 2011

Mr. President, Delegates and guests; your Advisory Committee consisting of the Past State Presidents of the association met yesterday, April 28, 2011 at 3:30 PM here at the Ramada Inn. We had eleven (11) Past State Presidents in attendance. Two more arrived later in the afternoon to give us a total of thirteen (13) in attendance at this convention. Also attending were Pete Slankard, President of the Kentucky Elks Association and James Powell, President of the Virginia Elks Association. Our own State President Vince Gurrera was also present.

We heard reports concerning membership, our State Major Project, future convention sites and also a final report from President Vince Gurrera regarding the State of our Association and his activities during this past year.

This committee met at the Days Inn in Flatwoods, WV last November for two days for our second retreat. Many items were presented and discussed at length at those meetings regarding the welfare and improvement of your association. Current plans call for the continuation of these retreats each fall.

Your Advisory Committee has no specific recommendations to present at this time, however, we ask that you pay attention to the reports from the various committees and participate in the decision making whenever required.

Mr. President, this concludes my report. Thank you.

Respectfully submitted,

Donald L. Stokes, PSP

Chairman
