Morgantown, West Virginia
103rd Convention West Virginia Elks Association

PGER Hess, President Gurrera, President Slankard, President Powell, Members All:

For this most recent Convention of the West Virginia Elks Association we had pre-registered 172 Elks and guests representing 21 of our 22 Lodges. We also have with us this weekend 13 Past State Presidents of our Association.

The Committee prepared 140 voting credentials for this morning's balloting for Central District Vice-President and Treasurer.

I would like to thank Committee members Donna Olexick and Walter Ice for their valuable assistance, and also the ones who keep us prepared and organized - PSP and Advisor Bill Lambert and his wife Lois. PSP and Committee member Happy Pancake couldn't be with us this weekend due to his mother's illness and Committee member Frank Bohach was campaigning for Treasurer. I'm looking forward to having them both back on board for the Mid-Year.

Respectfully submitted,
Scott Wilson
Credentials Committee
