Mr. President, I would ask that you inquire as to whether or not there are any other nominations at this time. There being no further nominations, I move that the unopposed nominees be elected to their respective offices by unanimous acclamation of the delegates assembled here today.

The election for the offices of Vice President Central and Treasurer will take place by secret written ballot tomorrow morning commencing at 7:00 AM and continuing until 8:30 AM or until the rap of the gavel by the President to call the morning session to order at which time the voting will cease. All delegates and members of this Association are reminded that all potential voters will be checked and credentials collected upon entering the voting area to make certain as to their eligibility. Your usual cooperation will be appreciated in making this election go smoothly.

Your Nominating and Election Committee will supervise the ballot and the counting of votes with the winners being announced during the morning session at an appropriate time prior to the Installation of Officers.

Mr. President, this concludes my report. Thank you.

Respectfully submitted,

Donald L. Stokes, PSP
Chairman, Nominating Committee
