EXALTED RULER'S
SOAP BOX

With a new lodge year under way I want to begin with a spirit of thankfulness. I have been blessed to be a part of this lodge, and it's history. The many great people who have come before, have set the bar high. We as the officers of our lodge, hope that going forward we can continue the spirit of brotherly love that has made this lodge, and order so great! We value the knowledge, wisdom, and Guidance of our past leaders. We hope with their input we may avoid the pitfalls of the past, while at the same time build upon the success'. With this said we welcome new growth, because without it we become stagnant, and wither. We have strong roots in the past, so we must build upon them, and move forward into the future. With your help we can welcome change, and honor our past at the same time. We invite those who have strayed to come home, and those discouraged to give us the honor of proving ourselves! Let's leave the negativity in the past, and work together for the betterment of a lodge we all love! We are all Elks, and as such we are bound together. With great hope I look forward to this year, and what we can accomplish together!

Yours Fraternaly
Jim George
