Huntington Elks Supporting Our Nation's Veterans

Fundraiser for VA's Homeless Veterans Resource Center

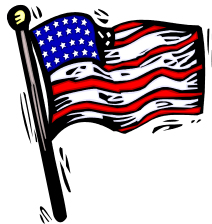

On Friday 03/23, the Huntington Elks Lodge will host a Spaghetti Dinner, to help raise money for the VA's Homeless Resource Center, located in downtown Huntington. The shelter services 24 counties in WV, Ohio and Kentucky and it's main goal is to address the root cause of the Veteran's homelessness. It is not a homeless shelter, but instead has Social Workers on site, to assist the Veteran's in addressing their problems and helping them with basic needs.

Last year, Bill Hill who is a claims assistant for the VA's Regional Office and his friend Jim Rife, rode their bicycles from Huntington, WV to Wheeling, WV, in an effort to raise money and awareness for this cause. They succeeded in raising almost \$2,000. This year their fundraising goal is \$6,000 and 7 cyclists will be riding from Huntington, WV to Washington D.C.. The money they raise will be used to purchase basic home-starter kits and bus passes for the Veteran's. All of the proceeds from our Spaghetti Dinner will be donated towards this fundraising effort.

The Lodge trustees have generously donated all of the food for the dinner. Bob Angelo, PER has volunteered to cook the meal and several other Members will be helping to prepare and serve the food that night. Member Carl Toler has also offered his musical group for entertainment that evening, during the dinner.

Please come out and support this worthwhile cause.

Public Welcome!

Each month this Lodge continues to provide coffee, magazines and other items to our Nation's Veterans, at the Huntington VA Hospital and the Barboursville Veterans Home.

Your membership, donations and support of the Lodge and club activities makes this possible!

Spring Cleaning

In preparation for the upcoming WV Elks State Convention (April 26-29), we will be starting some spring cleaning in March. In addition to cleaning, we hope to get enough volunteers to help paint some areas of the Lodge, as well as making some general repairs throughout the building. While we may not have a lot of money to spend on repairs and beautification, we will do what the budget allows.

Any person interested in helping,
please contact Lisa Maack
@304-525-5189.
