DRUG AWARENESS

Your Lodge donated to the City of Wheeling Police Department's Prevention Resource Officers, the Drug Testing Laboratory, and the Department of Statistical Observation

two each of drug identification photo books. These will assist the officers in identifying any items found on an individual or in the schools. The schools in Ohio County that received these pair of books are Warwood Junior, Wheeling Junior, Triadelphia Junior, Bridge Street Junior, & the Alternative County School. The FTO's can also use these should anything discovered in their "feeder" schools.

We also share information that we receive from the Grand Lodge Drug Awareness Program & the DEA with Wheeling's Department's Statistical Observation & Public Information Officer.

Also, Wheeling Central & Wheeling Park held drug testing for their Drug Free Clubs. Park did not ask for assistance during COVID but Trustee David Robinson assisted Central on their testing day.
